

IHSA SKIN CONDITION EVALUATION AND AUTHORIZATION TO COMPETE IN HIGH SCHOOL WRESTLING

TO PHYSICIAN: National Federation Wrestling Rules state:

If a participant is suspected by the referee of having a communicable skin disease or any other condition that makes participation appear inadvisable, his coach shall provide written documentation from a physician stating that the suspected disease or condition **is not communicable** and that the athlete's participation would not be harmful to his opponent. This document shall be furnished at the weigh-in or prior to competition in the dual meet or tournament. COVERING A COMMUNICABLE CONDITION SHALL NOT BE CONSIDERED ACCEPTABLE AND DOES NOT MAKE THE WRESTLER ELIGIBLE TO PARTICIPATE. NOTE: By Federation Rule the official has the final decision.

This form must be presented prior to the starting time of the dual meet or tournament.

This form is for the following wrestler: _____
(name of wrestler)

1. Indicate the specific location of the suspected skin condition on the figures below.

2. Describe the approximate size and color of the condition.
(example: it is about the size of a nickel, red in color, etc.)

3. Do you believe this skin condition is currently contagious? Circle one: Yes No

4. Please give your diagnosis: _____

5. If this is a birthmark, non-communicable skin condition, i.e. psoriasis or eczema, check ☐ Yes (Valid for the year)

Physician certified that this wrestler is not contagious and assumes all responsibility for this decision.
